

**APUSH Flashcard Guidelines**  
Advanced Placement United States History

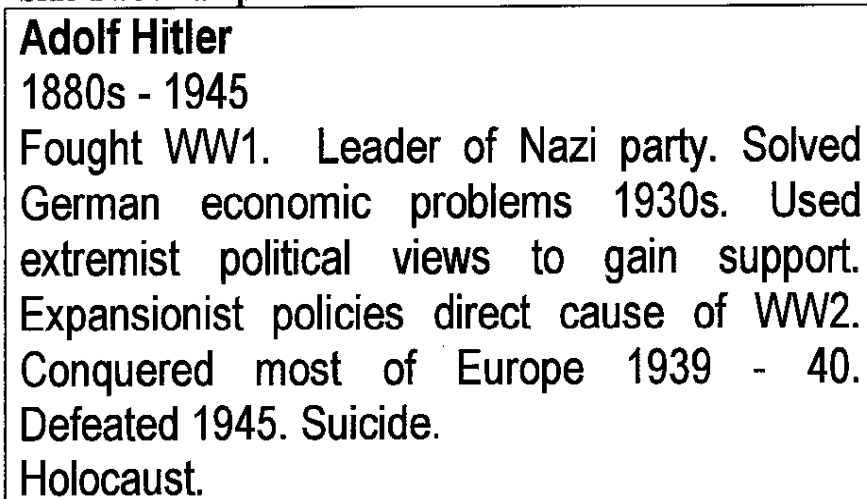

APUSH Flashcard identification words are critical to each chapter and of study in the A.P. class. As chapters are introduced you will be provided with word lists that coincide with what we are studying. Flashcards will be due every week. The following guidelines must be used when the assignment is turned in.

**Make sure you select the proper size flashcard for your size and style of writing.** One side of the card will have the word, phrase, or date written on it in the middle of the card. Additionally, you will indicate in the upper right hand corner which time period the term is from. For example, AP Euro Chapter 9 card may have Black Death or Renaissance written in the upper right corner. The other side will have the pertinent information written on it with the word phrase or date written in the upper left corner.

**Side 1 Example**

**Side Two Example**

**All entries must be in your handwriting.** Please make it legible.

Each chapter of flashcards must have a card with your name and chapter printed on it as the first card. Please rubber band the cards together.

It is not necessary to use complete sentences when completing flashcards. Please use the following guidelines:
